14. Please ensure you have lots of **yummy treats** and your dog's favourite toy available whilst attending training.
15. Pure Pet Passion cannot guarantee a speed of progress or **recovery**. In some cases, genetics, upbringing and previous experience can result in permanent damage/trauma to an animal. In these cases the therapy / training plan may be designed to improve the owner and animal welfare and may not resolve the problem completely.

16. All animals are different and not all of them answer to training or handling in the same way. You have to be patient and give the animal the time and rhythm that it needs.
